Your June update from Manor School Sports College

Principal's Message

We had an amazing evening earlier this month celebrating the achievements of our KS3 students. Getting KS3 right is hugely important to us at Manor School as we fully understand that it is this stage that provides the building blocks for future exam success. As a result it was delightful to see such a wide range of students receiving awards for their commitment, dedication and success within the realms of both academic and wider achievement.

Following the last exam on 14 June, we held a celebratory assembly for our Year 11 students to congratulate them on completing their exam period. Mr Brown and Mr Bateman led the students to reflect on the past five years and some nostalgic photos were shared! I produced a short video to help send the students on their way, which was followed by the traditional shirt signing and not so traditional cakes and ice-cream van!

From September there will be a move back to a one-week timetable and some internal changes to the school day to help us better facilitate our curriculum. These changes **will**

University Workshop

Representatives from Corpus Christi College spoke to aspiring university students in Years 9 and 10 on Thursday 6 June. Part of our Work.World.Wellness curriculum offer, students received information, advice and guidance on what life is like at university as well as the steps involved in the application process.

Year 11 Leavers

We bid a fond farewell to our Year 11 students on Friday 15 June after the completion of the final whole-cohort GCSE exam. As part of their Leavers Assembly, Mr Davenport went the extra six miles for his speech - you can watch the video on [YouTube](#).

Innovation Challenge

Two teams of Year 9 students participated in the final of the RS Components Innovation Challenge at Google HQ in London on Tuesday 18 June. Out of 38 teams from across the country, we are delighted that they finished in 3rd and 4th place. Congratulations to those who took part.

Thank A Teacher Day

In recognition of National Thank A Teacher Day on Wednesday 19 June, students filled in 'Secret Supporter' cards to thank a
