Tuesday 22nd September	Welcome to the Sixth Form Parents Information Event (Virtual)
Wednesday 23rd September	World.Work.Wellness / Tutor time – P5
Thursday 24th September	
Friday 25th September	

Assistant Principal's messages

Now we have completed two full weeks, it is important to make sure your timetable is accurate. From Monday, please check your timetable (either on Show My Homework or ask Miss O'Brien to print one) and make sure it is correct. If there are errors, please tell me on Monday so we can correct it.

A member of the cleaning team asked me to pass on her thanks for the way you are keeping the sixth form centre and the LRC clean and tidy. As well as making our environment a better place to work and study, you also allow the cleaning team to spend more time sanitising surfaces to keep us safe! Thank you.

The majority of students in their supervised study and private study sessions are working well. Please keep this up! I have had to remind some students that you are never 'finished' your work. I will be running after school sessions for students who are struggling to work independently.

Mr Carter

Dress code

Our dress code is designed to reflect the modern workplace. The vast majority of you are following this really well. There are some students who look a little informal (e.g. very casual hoodies, baggy t-shirts and shorts, short skirts, crop tops). Where this is the case we will guide you to make changes. **We will ask you not to wear that item again. If you wear it (or something similar) a second time, we will ask you to go home to change.**

Bursary

Following on from the information received in tutor time, please find a link attached for the bursary form. We are encouraging as many of you as possible to apply – even if you think you might not qualify. We will only ask for proof of household income **after** we have accepted your application. Other messages

Gresham college produce a series of public lectures every year in a variety of subjects. This year they are all being streamed online and they are free to join. Students might find them useful for extending their subject knowledge, as an additional resource for their EPQ or as evidence of super-curricular activities to demonstrate interest and enthusiasm for a subject in their personal statement. There is also a back catalogue of past lectures online.

ASN

We have invested in membership of The Elephant Group, an organisation that is committed to social mobility and fair access through collaboration between schools and universities. I will be sharing much more information in the coming weeks however, in the meantime, information can be found here: <https://www.theelephantgroup.org/>.
