Assistant Principal's message

It's great to have you all back together this term. It's a long term but one filled with opportunities. If you are in Year 12, and you missed the assembly, you can catch up [here](#).

Next week sees the launch of the **election campaign** for the positions of head student. We have decided to open this to all students in Year 12. Not only does a position like this look great on a CV or personal statement, but it is a fantastic opportunity to shape the community you live and work in. Follow the KS5 Twitter and Instagram social media accounts (@ManorKS5) to keep up to date with the campaign. Campaigning will commence at 3.15pm on Wednesday 21 April. If you want to run, you must attend the candidate's meeting at **2pm on Wednesday 21 April**.

Watch this video for more information about the campaign: <https://youtu.be/FqleRuFWLe8>

Mr Carter

Academic Writing Masterclass

Do you struggle with essay writing? Do you want to write with a more academic style?

We have received funding to run two 'academic writing masterclasses' after school on two Wednesdays this term. These hour-long masterclasses will be held in school and led by an academic tutor. The masterclasses will be followed up with bespoke one-to-one sessions to support you to improve your essay writing style.

If this is something you feel you would benefit from, please register your interest here:

Parking

A number of local residents have raised concerns about the way in which some cars are parked. We have been informed that there have been issues with bin collection, leaving for work and missed appointments as residents struggle with the overwhelming number of cars parked in front of driveways and on the surrounding streets.

As a school we appreciate the parking is at premium on the school site and in the surrounding streets. Equally, we accept that there are three schools located on, or next to, Mountbatten Way and we continue to work with colleagues in the other schools to ensure we lessen the impacts where we can.

We continue to work on a long-term solution to this issue, however, we are asking students in the sixth-form to be really mindful of where they park their car and the potential impacts on local residents.

As always, we appreciate your support in this matter.
